

## Application for the Honors Program

Students who plan to register for honors courses (seminar, thesis or readings) must first submit this application. The prerequisites are that you are a Political Science major, have completed at least 60 credits toward your degree, have at least a 3.0 GPA, and have at least a 3.0 GPA in your Political Science courses taken at this campus. Please give this application to the Department Chair, mail it to him/her, or put it in his/her mailbox. Those who do not meet the criteria for acceptance will be notified; others may assume that they have been accepted. To graduate with honors, you must complete two honors seminars and an honors thesis with grades of B or better. Students who have already taken honors courses must still hand in this form.
