

## GLOBAL STUDIES – MAJOR REQUIREMENTS

Students majoring in Global Studies will complete the requirements for the **Global Studies major and another B.A. or B.S. major** to obtain a single degree with two majors. Global Studies majors take **6 credits in core courses, 12 credits in a language and 12 elective credits** for a **total of 27 credits**. With approval, **students double-count up to 12 credits** taken for general education or the **joint major**. No course may fulfill two categories of General Requirements. (If you use any course for both Major and Gen. Ed., be sure to count the credits only ONCE toward the degree total.) To graduate with a degree in GS, a student must **achieve a grade of C (2.0)** or better in all courses required for the major and **6 credits must be at the 300-level or above**.

<sup>1</sup> Because of Covid travel restrictions, students might substitute this class with any language course or a global theme course approved by program director.

<sup>2</sup> Choose one language from French, German, and Spanish. Native speakers in any of the required languages might take a placement test or make an appointment with Global Studies directors. You can also complete the language track abroad.
